

**Key**

- Proposed turbine location (Mynydd y Glyn)
- CLVIA (cumulative) study area
- Lines indicating the distance from proposed turbines
- Group 2 wind farms
- Ferndale

**Zones of Theoretical Visibility**

- Mynydd y Glyn wind farm only may be visible
- Ferndale wind farm only may be visible
- Group 2 (Pant-y-Wal, Pant-y-Wal Extension, Fforch Nest) wind farms only may be visible
- Mynydd y Glyn and Ferndale wind farms may be visible
- Mynydd y Glyn and Group 2 wind farms may be visible
- Ferndale and Group 2 wind farms may be visible
- Mynydd y Glyn, Ferndale and Group 2 wind farms may be visible

**Notes:**  
 All ZTVs are to blade tip height.  
 The ZTVs do not take any account of the screening effects of vegetation or buildings.
